## AUG/SEPT 2015

*The PHPA would like to thank Brittney Whiting of Blue Ribbon Photography for attending our show both days and taking such lovey photos for us all to cherish. If you have not already ordered yours please support Brittney and order soon..... We want her to come back next year and do it all again ☺ All images used in this newsletter have been kindly provided by Brittney for the assn's use.*

# *Hello to all Pinto Horse & Pony members....*

*Well the year is closing in on us – the Championship Show is over for another year. I would like to say a **HUGE 'Thank You'** to everyone who made the show happen again this year..... the sponsors, the volunteers and helpers, the behind the scenes people who put in hours & hours which go un-noticed, the businesses who support us with donations and sponsorship and of course the competitors and their families...together we all make this show happen each year ☺ I hope all who attended had a great time and most importantly enjoyed themselves. For myself the highlight of our show is seeing our young children over the weekend, watching them help get their horses ready, seeing them proudly in the ring showing their horses with such concentration and pride....this is what makes the hours & hours of effort worthwhile.*

*For many of us it's breeding season, new babies are arriving and mares are off to stallions again for 2016 foals. I wish all of you the very best for each and every foal you are waiting on to arrive or for those gorgeous babies that are already on the ground this season.*

*On this note I would like to point out that the July/August – October period is a very busy time for many people, including the PHPA committee members, in particular for the Secretary who is also our Registrar – so if you have sent in membership applications, registration applications etc please be patient, Margory has been very busy with her own breeding season which followed straight after a very busy time with PHPA OFY, membership renewals and Championship Show matters. Things are starting to settle down again & Margory is now catching up with paperwork etc.*

*Best wishes to all.....*
