Welcome to this issue of the PHPA newsletter.....

I would like to welcome all of our newer members and hope to meet you and your Pinto's over the season.

Unfortunately for those of us who planned on attending Rocklea Show as our first Hi Point show for the 2015 year the weather had other plans and the show was cancelled ☹️

Speaking of plans- we have on the drawing board a 'beginners clinic' aimed at giving some basics for hitting the show ring 😊 The proposed date is JULY 11 and would be held at the Laidley Walloon Quarter Horse & Performance Assns grounds at Regency Downs. The date, cost per person and other details will be finalized shortly and will be announced on the PHPA face book page. This will be open for anyone to attend, not just PHPA members. You can bring your own horse if you want to but don't feel obliged..... there will be some horses there on the day for demo's and you will be welcome to have a go with one of these horses should you not have one of your own.

The plans for the 2015 Championship show are underway, to be held at the Gatton indoor arena on August 22 & 23. We have already had a wonderful response from our request for sponsors for the Garlands and I am thrilled to say they were all sponsored within just a few days !!!

Reminder that Membership Renewals will be due on July 31st. NEW MEMBERS – join now and your membership will be valid until July 31st 2016 !! All forms are now available to download from our website <http://pintohorsepony.webs.com/>

Anyone registering Pintos with us may now email their photos directly to the Registrar. PLEASE make sure the photos you send are clear - we will still require 2 separate photos of each side of your Pinto as well as a clear head shot and hind end shot.

Some of the photos the Registrar has received in the past are less than ideal; please have your Pinto standing square for pics, heads in buckets does NOT count for a head shot; all ears, legs, tail etc must be visible thanks. Please try to have your Pinto well presented with a simple background - your registration photo won't look so great with a shed full of machinery, old car bodies and so showing in the background.

You may also email other paperwork directly to the Secretary BUT you must still post the originals for our records, this INCLUDES copies of all **Direct Deposit** payments.

Thanks for taking the time to check that all paperwork, emails etc have the correct information included 😊

Sandie
