Hello & welcome to another PHPA newsletter ☺

On behalf of the committee I would like to welcome all of our new members and their Pintos. Hopefully we will see some of you out and about over the season. The show season is in full swing with many members attending a variety of events, well done to everyone who has been out showing/ competing with their Pintos. The Point Score officer will be kept busy with the results coming in.

Don't forget – our financial year ends July 31. This means that membership renewals are due... the renewal form is up on the website for the 2015 – 2016 season. The Hi Point Nomination form (which includes the order slip for a result book) and the Amateur Owner Application form are also on the website – these will need to be renewed for the new season.

The committee also wishes to remind all members that our Rules & Regulations, Code of Conduct etc are to be observed at all times when attending any event as a PHPA member – if you don't have copies of these on hand they are available on the website and can be emailed to you if required. Please make sure you are familiar with the rules.

Anyone registering Pintos with us may now email their photos directly to the Registrar. PLEASE make sure the photos you send are clear - we will still require 2 separate photos of each side of your Pinto as well as a clear head shot and hind end shot.

Some of the photos the Registrar has received in the past are less than ideal; please have your Pinto standing square for pics, heads in buckets does NOT count for a head shot; all ears, legs, tail etc must be visible thanks. Please try to have your Pinto well presented with a simple background - your registration photo won't look so great with a shed full of machinery, old car bodies and so showing in the background.

You may also email other paperwork directly to the Secretary BUT you must still post the originals for our records, this INCLUDES copies of all **Direct Deposit** payments.

THE MANAGEMENT COMMITTEE WISHES TO NOTIFY MEMBERS THAT THE PHPA WILL NO LONGER ACCEPT PAYMENTS VIA CHEQUE or MONEY ORDER - EFFECTIVE 1 AUG 2015

This will eliminate the risk of chq's going missing in the post or waiting until there are sufficient chq's etc to bank. Thank you to all members for taking note of this change ☺

The Championship Show Program and Entry forms are ONLINE – head over to the website to download the program, entry form, competitor's waiver and horse health dec. Entries close 14 August – REMEMBER – you must be a current (2015 – 2016) financial member so get your membership renewals in ASAP !!

Training Clinic 11 July.... After a positive response initially forms have been slow to come in, if you wish to come along to this informal training day please send in your form ☺
