A word from the President

Hi everyone,

Our championship show is over for another year, and what a great weekend it was. Congratulations to all the winners, and thanks to those who attended and made it the success that it was. From all reports everyone that attended thoroughly enjoyed themselves. I must thank and congratulate Sam & Dale Lindley for their part in organizing and keeping the show running smooth, which allowed all committee members to compete over the weekend, great job guys. And a huge thank you must go out to Sandie Johnson for all of her organizing for months prior to the show so we could all go out and enjoy ourselves. Thanks to all the sponsors who helped make it all possible. Thanks to our Pinto Queen, Kayhla Small for donating and handing out lots of fun prizes. While numbers weren't big we saw competitors going in multiple classes which saw a full day on Saturday and over half a day on Sunday. We have a lot of new members joining us this year, some of which were at the show. I look forward to seeing you all out and about over the next year

Andrew Scott

PHPA Inc President

We hope everyone likes their new membership cards.

A 'huge' thank you must go to Andrew Scott for spending so much of his time getting the assn's card printer to finally function.

The cards look very professional - thank you to Daiquiri Paints for the cover design which was also the main feature of the Photo Booth this year. The sign was created and donated by Daiquiri Paints & will be used for advertising for the PHPA throughout the year.

*****PHPA is offering a great opportunity to members*****

For just \$5 you can have your membership card 'Personalised'. Just email a photo of your Pinto to the Secretary to have placed on your membership card making it uniquely yours. Don't forget to post a copy of the bank transfer if paying by EFT

How to correctly submit applications for membership, renewals, registrations, Hi Points and other paperwork to the PHPA. Please go to the PHPA website and locate the information you are looking for.

All forms are downloadable from the 'Requirements & Forms' page; if you cannot print them off please contact the Secretary or another committee member (details are on the 'Contact' page)

Please take the time to read through the forms and instructions before filling them out, there are instruction sheets for registration applications if you are unclear on anything; if you have any questions contact a committee member.

Please fill in the forms completely, remember to sign and date all forms, incomplete forms can't be processed, they will be returned for completion.

Remember to include any copies of paperwork that your form may request; i.e service certificates.

Payment: you can pay by Cheque, money order etc or electronic funds transfer. If paying by EFT please use the details provided on the website 'Association Fees' page and please remember to send a copy of the EFT for our records - 'no receipt...no paperwork processed' *Note that sending a payment by EFT without the accompanying forms does not automatically provide instant membership, registration etc, all payments are considered 'pending' until paperwork is processed and approved.

We recommend that you keep a copy of all forms you fill in and send in case your originals get lost by the postal system. Sending by Express post is also recommended.

Thank you for following correct procedure - it makes the Secretaries job a lot easier and quicker if done correctly first time and saves disappointment when delays occur while getting errors or omissions corrected.

'CPS He's So Awesome' and Leanne Kelly finished a successful Championship show by winning

HI POINT Junior Western Performance Horse

OVERALL HI POINT WESTERN PERFORMANCE HORSE
(trophy rug very kindly sponsored by Horseland Ipswich)

The competitors in the Lead Line Class for 2 – 6 year olds.

Zahra Vandenberg, Amelia Smith and Izaak Vandenberg.

These 3 young PHPA members have been out at a number of shows this year – it's great to see the next generation out enjoying themselves. They all did very well at the show competing in the Lead Line class, Beginner Child Handler and looking great in the Fancy Dress too...well done to you all.

FROM THE SHOW SECRETARY

Firstly I would like to thank those members who attended the PHPA Championship Show this year and I congratulate you all on your great results.

Numbers were affected again this year; each year has seen a steady decline in the numbers attending not only our annual show but shows in general, the rising cost of fuel and the expense of showing our horses is hitting us all in the pocket and many of us have had to cut back on the number of outings we can afford to do. Many thanks must go to all who contributed in so many ways to make sure the 2013 show went ahead.

Sam & Dale Lindley deserve a huge 'thank you' from the committee and members for their fantastic organisational skills, nothing was a problem over the weekend, everything ran very smoothly and the entire show was very well run.

We must also thank Andrew Scott, Margory Small, Dannielle Vandenberg & William Johnson for all their behind the scenes efforts. Andrew took a day off work to coax the PHPA photocopier into printing out the show catalogues which Sam spent so much time preparing for us, and Margory for her patience with the stapler ☺ Dannielle had all the financial side of things ready for the weekend and spent much of Friday delivering the performance equipment and fencing for the photo booth area as well as purchasing those 'last minute' items required for the office etc. William and Dale spent much of their time setting up the dressage arena (and packing it away again) setting up the photo booth area, making sure all the equipment was on hand and ready for classes and cleaning up the grounds (sad to say a few members left without clearing their personal rubbish away)

To all the individuals and businesses who donated prizes, financial assistance, trophies, goods, services etc - please know your generosity was much appreciated by the PHPA. Thank you Val & Teresa Koffal for the huge effort you put in months before the show by approaching many local business and securing sponsorship and donations, thank you also to Michael Wilkins for spending your day off acting as Ring Steward – you were so good we'll have you back next year ☺ Huge thanks to our Pinto Queen Kayhla for all the fabulous prizes you gave out as mystery prizes, that really put the finishing touch on Saturday at the prize presentation. Big thank you to Lucy Philp - 'Dunsplashin Stud' for sponsoring so many of the lovely trophies including the Grand Champion trophies and many of the Hi Point & runner up trophies. 'Showring Excellence' did a lovely job of the Garlands for the Challenges as well as sponsoring the garland for the Supreme Led Exhibit of the show. Also a big thank you to JCJ Equine Enterprise (Dale & Sam Lindley) for donating the stunning Perpetual Trophy for the Supreme Led Exhibit of the show. Horseland Ipswich are also thanked for sponsoring the Overall Hi Point Trophy rugs this year, they look wonderful.

I would also like to thank the number of competitors who contacted me after the show to let me know how much they enjoyed themselves this year; despite the low numbers it seems that the friendly, family oriented, relaxed atmosphere was appreciated by all and it is encouraging to be told they will be back again next year ☺

The show was not without its entertaining moments – awesome action shot of Dale Lindley showing competitors how to achieve perfect jump technique. Good height attained Dale !! Dale kept competitors entertained all weekend 😊

'THANK YOU' must go to Sam and Dale Lindley of 'JCI Equine Enterprise' for so generously donating this wonderful Perpetual Trophy which was awarded to the 'Supreme Led Exhibit of Show'

2013 is the first year for the Perpetual Trophy to be awarded at the PHPA Championship show.

The 2013 winner and first name to go on this trophy is "Two Moons Kiss This" – shown by Jenny Relton.

The PHPA committee appreciates the support and generosity of so many wonderful people who all helped make the 2103 Championship Show another success.
